

- Hose** : BLHOSE
- Application** : Hoses to used to connect an extraction ventilator to an air suction vent on yachts and small craft.
- Features** : Suitable for suction and pressure
 Suitable for hot air and exhaust gases
 Highly flexible, small bending radii
- Cover** : PVC coated glasfibre, grey
- Reinforcement** : Steel helix wire.
- Temperature** : Suitable for use in the range - 20 to + 100° Celsius
- Relevant Standards** : Non
- Classification** : Non
